**WE DON'T.**

After a disaster stops “trending” and the media leaves the scene, Concern stays behind to finish what we started. When a natural disaster, health epidemic or human conflict strikes, our response is not only to save lives, but to help the most vulnerable communities stand on their own again. Our work isn’t just about showing up, it’s about following through.

# MAKE BREAKFAST HAPPEN SO KIDS CAN BE HUNGRY FOR MORE

I was one of our nation's hungry kids growing up. Today, 1 in 5 children in America struggle with hunger. But when they get breakfast, their days are bigger and brighter. Learning, attention, memory and mood improve. Together, we have the power to get breakfast to kids in your neighborhood — let's make it happen. Go to [hungeris.org](http://hungeris.org) and lend your time or your voice.
